5784 Theme: Preparing the Bride 1/20 Waller Family Band will be traveling to share new scripture music! Many of the songs are about the coming of Messiah. As we face the uncertainties of the future we can be certain of this: Yeshua is coming soon! His coming is what all these "birth pangs" are leading up to. With most of the extended Waller family in Israel, Brayden and Tali will also be sharing about what their family in Israel is doing to help the Jewish people in this challenging time. loveandpurity.com/music-ministry 1/21 Annual Members' Business Meeting Learn the state of the congregation.
